

MACMASTERS BEACH S.L.S.C. 75TH ANNUAL REPORT

2019—2020

Annual General Meeting

MACMASTERS BEACH SURF LIFE SAVING CLUB INCORPORATED

Affiliated with the Central Coast Branch SLSA of Australia

TAKE NOTICE that the seventy fifth Annual General Meeting of the Club will be held on Sunday 2nd August 2020 at 4.00pm at the Clubhouse

AGENDA

1. To receive, consider and if thought fit, adopt the Financial Statement for the year ended 30 April 2020.
2. To receive the President's Address.
3. To receive the Annual Report including the reports of the President, Deputy President, Director of Administration, Director of Competition, Director of Finance, Director of Life Saving, Director of Member Services, and Director of Education.
4. To adopt the Minutes of the 2018/2019 Annual General Meeting.
5. To consider the appointment of Jan Sillato as a Life Member of the club as has been recommended by the Life Member Committee.
6. To note that the Election Meeting on 17th May 2020 re-elected Alan Blackman as President, Peter Roden as Director of Life Saving and Michael Norman as Life Member Director, with Matthew Hingerty filling the casual vacancy as Deputy President following the resignation of Kylie Dickinson and her election as Director of Competition.
7. To resolve to affiliate with the Central Coast Branch of Surf Life Saving New South Wales and Surf Life Saving NSW.
8. To receive and consider motions of which due notice has been given.

GENERAL INFORMATION ON MEMBERSHIP

All members must be financial for the new season to vote at the AGM. Fees can be paid at the meeting.

All patrolling members must complete their requalification by 31 December 2021.

Any member wishing to compete must by 31 December 2021 have renewed membership, paid the renewal amount, requalified and completed the required patrol hours. Awards for new members can be gained at any stage of the season.

New members wishing to compete must complete their awards by 31 December 2021.

Compliance with these requirements is necessary to ensure members are covered by insurance

DATED: 2nd July 2020

David White – Director of Administration

OFFICERS – 2019/2020

Patron

Alan Brooks

Vice Patrons

Don Hamilton and Lynn Forsyth

President: Alan Blackman

Deputy President: Kylie Dickinson

Directors

Administration: David White

Finance: John Evans

Competition: Craig Lee

Life Saving: Peter Roden

Member Services: Alison McNeill

Education: Graham Johnston

Life Member Representative: Michael Norman

Portfolio Positions

House Manager: Steve O'Hara

Registrars: Denise Sherring and Paula Vella

Bar Manager: Steve O'Hara

Media and Point Break: Suzie Morris

Functions: Carole Thompson

Boat Captain: Peter Norman

Handicap Point Score: Tracy Przybyla

Coach and Board Training: Trent Martin

Macs Maniacs: Jim Myers

Duke of Edinburgh Award: Geoff Dominguez

Nippers: Elaine Hodgkinson and Lorna Walters

Rookies: Suzie Morris and Melissa Hackshall

Honorary Auditors

Fortunity

Honorary Legal Officer

Alan Bingham

Senior Members

DIRECTOR REPORTS

President

Alan Blackman

2019-20 has been a year of many successes and challenges. The year opened with excellent growth in membership, continued with great dedication and commitment to beach patrols and competition and then faced the challenges of bushfires, storms, floods and the Covid-19 pandemic. These successes and challenges showed the strength of our Club as we all supported each other through both the achievements and challenges.

The patrol statistics for 2019-20 highlight our success in providing a safer beach:

- Beach Attendance in patrol hours:.....38,345
- Rescues (14 with 7 outside the flagged area)
- Preventative Actions:581
- Ambulance call outs.....2
- Beach Closed.....9

I want to congratulate all our patrol members who formed 12 Patrols this year. Each patrol was well trained and equipped. The quality of our training was demonstrated in each rescue, first aid, preventative action and in our strong performance in the Patrol Inspections.

Our membership numbers showed good growth in 2019-20, particularly in our Junior ranks

Patrol activity had to finish a month earlier than normal due to the Covid-19 restrictions that affected so many aspects of our daily lives. These restrictions also impacted our Club's finances with the loss of some income streams

The Club was very fortunate to commence 2019-20 in a very strong financial position but the extensive bushfires, major storms and Covid-19 all affected our income through a combination of reduced visitor numbers, damage to our clubhouse and closure of the clubhouse.

I want to thank everyone who worked so hard to help with fund raising, raffles, donations, sponsorship, bar & hall operations, grants and the wonderful support of local, state and federal levels of government being important contributors

The Club is fortunate to have the support of our sponsors and supporters. Belle Property, Barefoot Café, Freewater Plumbing, WEX Motorpass, Macquarie Foundation, Greenstone

Partners, Sea Coast Fishing, Ability Links and a great many generous donors.

The Club's commitment to, and participation in, surf sports was very commendable in 2019/20. Good results were achieved at local carnivals, and also at branch and state level but a combination of storms and Covid-19 restriction saw the cancellation of some of the Branch competitions and the complete cancellation of the Australian Titles. I want to congratulate everyone who represented our Club and to thank all those who helped support and train our competitors.

Surfboat rowing in 2019/20 continued the strong tradition of the Club in this iconic surf sport, with multiple male and female crews. The commitment of these crews to their chosen sport and to their club patrol activities is a great asset for our Club.

The activities at our beach every weekend in nippers, skills training, the Sunday Point Score Swim & Board and Macs Maniacs shows the enjoyment our members get from being at the beach and forms an important base for our patrol and surf sports activities.

We saw a number of successful community events in 2019/20 including the Prawn and Oyster Luncheon, Five Lands Walk, the 2018/19 Junior & Senior Presentations, Christmas Carols, Christmas Drinks, and State of Origin nights. Sadly, our ANZAC Day service was cancelled due to Covid-19.

The Duke of Edinburgh Award program continues as an important opportunity for our younger members to excel in community service and personal achievement. The Duke program provides an important link between our junior and senior activities

Our website, monthly Point Break newsletter and Facebook and Instagram sites are widely read and enjoyed by all members.

The Club's administration has been in excellent hands with all the complexities of financial and regulatory administration and reporting completed with a minimum of fuss. I want to thank the many members who work behind the scenes to get all these tasks done.

The Club's Board of Directors has done a wonderful job in steering our Club and I want to thank Kylie Dickinson, David White, John Evans, Michael Norman, Peter Roden, Alison McNeill, Craig Lee and Graham Johnston for their outstanding work.

I also want to thank the staff and directors of Surf Life Saving Central Coast for the support they have provided across the season.

2019/20 has been an extraordinary year for the Club and its members. We all hope for better times and I look forward to seeing all our members back on the beach for the 2020/21 season.

Alan Blackman - President

Deputy President

Kylie Dickinson

What a season to take on this role as Deputy President! Not only have I had to fill the very big shoes of Jan Sillato, we have also had a finish to the season unlike anyone has ever experienced. I am pleased to report, despite the turmoil of Covid-19, that our donors, supporters and major sponsors have all been extremely generous with their time and contributions to our surf club.

We value our major sponsors Belle Real Estate – Killcare and Barefoot Café, operated by Richard and Varisra, who not only provide great food to our patrons, but also supply meals to our volunteer bar staff every weekend.

We are grateful to our generous and long-term supporters Macquarie Bank and Loo Loos Coffee Shack Furthermore, thanks to JD's Family Automotive, who are always available to service our IRB motors and who provide assistance whenever required. Also, to Pete and Sue Offner of Seacoast Fishing, who continue to provide our club with amazing seafood platters, which we raffle throughout the season. The group that can raise the most money selling raffle tickets for these popular platters has become our favourite unofficial competition this season. The Boaties may have won the title this year, but I can't see the Masters losing out next year. Many thanks also go to the support and advice provided by Ability Links NSW, who assist the club to be more inclusive.

We welcome James Lewry from Advanced Building as a new sponsor of the club this year.

In addition, our club continually receives donations, big and small from all parts of the community. These generous donations facilitate the maintenance, improvement and sustainability of our nipper gear, patrol gear and club in general. A big thank you to each and every person who kindly donated to MacMasters Beach SLSC. This includes a number of local community groups who also support our club with generous contributions of time and money throughout the season. Thanks to the Ladies Social Club, the Garden Club and the Bridge Club in particular. These groups form a major part of our local community and we are grateful for their continued support.

The Club has been extremely lucky in its acquisition of the skills of Rachel Dunne, who is very talented when it comes to finding and applying for grants. Various grant applications were submitted and successful this year. A successful grant from Davistown RSL allowed us to purchase two new racing mals for our Masters, and a grant from Central Coast Council went towards the financial support of the Artisan Show, which unfortunately could not go ahead due to quarantine rules.

We also received generous Government funding and support from Surf Life Saving NSW, enabling our club to access important lifesaving equipment, giving our patrol members the necessary equipment to keep our community and visitors safe on the beach all year round.

Our club members, once again, walked the streets accepting kind donations of our neighbours in our annual door knock appeal. A significant amount of money was collected that morning, in appreciation of the great job our patrolling members do in keeping MacMasters Beach safe.

Thanks must also go to our honorary auditors, Fortunity Chartered Accountants & Financial Planners, who provide their valuable services all year round and also to our honorary legal officer, Alan Bingham of Peninsula Law. Their continued support and advice ensure our club runs smoothly and with the required compliance.

A personal thank you must go to Jan Sillato, not just for the time she gave up so that I could be comfortable in the role of Deputy President from the start, but for all the contributions and support she still gives to the club in her 'spare' time. Although I have only been in this role for 12 months, I have decided to move into a position on the board that I feel is better suited to my skill set which is the role of Director of Competition. I welcome Matt Hingerty to the role of Deputy President.

I sincerely thank our many sponsors and supporters for being part of our club's success this season. It has been my pleasure to work with you all, and MacMasters Beach SLSC is thriving because of your genuine kindness and dedication to our club.

Kylie Dickinson - Deputy President

Director of Administration

David White

The season started exceptionally well. A very healthy membership of some 700 with a good mix of age and experience as well as active and non-active all contributing to the club's voluntary operation.

The clubhouse operations were smooth and efficient under the 'volunteer' model with all involved effectively and efficiently performing their functions interactively and co-operatively with the rest of the team. Members and the community enjoyed the excellent facilities resulting from the clubhouse renovation of the previous year. The close and interactive relationship between the club and the community continued manifested in particular by a very successful annual door knock appeal, the vigour of the Ladies Social Club, the Bridge Club and the Garden Club. Everything was going smoothly and the best surf club on the coast was into another great year.

Then it hit – Covid 19 arrived. The world was not turned upside down – it just stopped. The club was frozen. No club activity

was permitted at all - not even physical meetings. The world of the 'virtual' meetings arrived. Matt Judd arranged, at 'no cost', Microsoft Outlook Charity 'SharePoint' had a 'Teams' function', enabling virtual meetings and on line document sharing, that enabled our club to respond immediately to Government required 'social distancing' with which the club has strictly complied to keep our members and the community safe.

Much of the club revenue was gone. Costs had to be frozen to protect the club's assets. The club is grateful to its dedicated supporters in co-operating in this regard. The Barefoot Café, despite material loss of business, continued to pay an important part of its rent, and the club cleaners, despite its contract with the club, readily accepted the suspension of its services.

The club's management structure, including its well-balanced appropriately qualified and experienced board under the seasoned leadership of its president, its voluntary method of operation and the corporate, cooperative and concerned membership enabled the club to respond to the crisis quickly and effectively.

Quick action to preserve the club's strong financial position ensures that there is a solid base to resume operations as normal when the crisis is over which we all hope will be in time for the commencement of the next season.

The 2019/20 year has been like no other year for the club however we leave it ready and able to take up where we were when the crisis burst upon us. This confidence is supported by the new sponsorship taken on during the 'lock down' by Balanced Building operated by member James Lewry.

David White - Director of Administration

Director of Finance

John Evans

Along with most sporting clubs and businesses in Australia the club's accounts for the year ended April 30th 2020 were very heavily impacted by COVID 19 and the bushfires. This meant that, for the first time in many years, the club posted a loss of \$22,128.00 for the year. This compared to an operating profit of \$68,492 for the 2018/19 year.

Income totalled \$356,671 which is a 18.8% decrease from the 2018/19 result of \$439,056. Bar Sales continue to be the largest contributor to the income figure at \$158,564 or 44.5% of income. This compared with a figure of \$195,928 or 44.6% income in 2018/19.

Bar expenses of \$80,714 (\$95,517 in 2019) are the largest single expense item. Bar sales contributed \$77,850 to the gross income of the club. Once again, this result would not have been achieved without the excellent efforts of Steve O'Hara, Carole Thompson and the volunteer bar staff. Donation income

was \$38,000 for the 2019/20 year, compared with \$50,944 for 2018/19 - a decline of 25%,

A very pleasing feature for the year was the increase in membership income from \$36,054 in 2018/19 to \$43,904 in 2019/20 an increase of 21.8%. This indicates that the club continues to have excellent community support within the MacMasters Beach area.

With Covid-19 restrictions being introduced in mid-March, income from the bar, yoga and other hall income streams ceased. This resulted in a loss of revenue of approximately \$50,000 and severely impacted on the clubs operating result for the year.

The budgeted operating profit for the year was \$35,400. Although the club had an operating net loss of \$22,128 for the year cash flow for the year was positive \$40,385 after expending \$17,379 on capital equipment. Our bank balance for the year end had increased to \$234,482 from \$194,097.

In summary, an extremely difficult financial year for the club to navigate. However, with strong action by the board and tight financial controls I believe the club remains in a strong financial position to re-bounce to a positive profit position in 2020/21 once Covid -19 restrictions are lifted.

A very big thank you to the club bookkeeper Steve Sillato for his continued diligence and commitment to the role and Denise Sherring for her efficiency, competency and all-round support. I would also like to thank all volunteers who have contributed in some way to smooth running of the finance area of the club.

John Evans - Director of Finance.

Director of Education

Graham Johnston

Surf NSW strongly promotes “online learning” as a means of reducing the workload on training teams. Our very small group of trainers, content experts and assessors have continued to adopt face to face and practical base competency training. “Show me your skills, get into the water and understand the conditions that you will be patrolling under”. This is the Macs approach. It generates self-confidence within our surf patrols and allows ongoing training under the guidance of senior patrolling members. It makes sense. However, our training approach is under threat with compulsory “portal membership” and online upgrade training now being adopted.

The season commenced with the induction and group meeting of all boaties, completing their dry land proficiencies including resuscitation, signals and radio. Many thanks to Brad Norman and his team.

The nippers assembled with the training team completing a club induction for the under six nippers and parents, then a part season of teaching surf skills and resuscitation for all age groups. The sight of our young nippers on the lawn completing resuscitation with defibrillators in a hectic fifteen-minute session, certainly had plenty of bystanders smiling. Our age managers and parents must be praised for the role they play in early surf education.

Skill deficiency in patrols was recognised early with Rod Jordan educating a large group of boaties through Advanced Resuscitation. Spinal Management was further developed within the Bronze Award requiring compulsory training within the proficiency requalification sessions.

The skill developed through our nipper program enabled a very easy transition into awards, especially the Surf Rescue Certificate where approved content experts or delegates assisted in the training during regular patrols. The early Bronze Awards were also dominated by young people coming through our system.

It is very pleasing to note the new senior members joining our club. The club promotes a “role for everybody” whether on patrol or behind the bar. Senior members maintain the strength within our patrols. The IRB team of Michael Morrison, Warren Watkins, Matt Staples and content experts Geoff Dominguez and Greg Ferguson again showed dedication to turn up each Sunday morning for training and nipper water safety. The club is short on IRB drivers and crew. Interested members are encouraged to engage this team in the important task of operating these vessels.

Updates to patrol captains, paperwork assistance and award

documentation was completed this year by Lyn Drummond greatly reducing the workload on trainers and assessors. As the patrol season suddenly concluded early, many members are still waiting or about to commence awards, especially the Bronze, with Trent’s large team of competitors requiring Bronze to begin the 2020/21 season.

The online component format will be ready to go by August, needing compulsory completion and monitoring plus assessment, and requiring additional members on the training team. This will suit some people, and allow the face to face trainers to complete their practical sessions in conjunction with the online trainers, engaging more people within our training team, which will benefit the Club moving forward.

Awards

Radio Operators Certificate

Kristy Debenham, Adam Debenham, Paul Williams, Michelle Williams, Taren Van Laar, Nanette Ferres

Surf Rescue Certificate

Jayden Morgan, Judah White, Steve Greenaway, Marcus Aitchison, Matt Hackshall, Nathan Coleman, Joshua Watkins, Jessica Rattray, Tom Patterson, Bree Josling, Skye Hackshall, Abigail Craik, Airley Arnold

Bronze Medallion

Alec Walters, Taren Van Laar, Molly Sheppard, Rachel Poldy, Brynn Malings, Louise Irvine, Megan Haigh, Oscar Crowe, Guy Underwood, Danielle Macpherson, Oscar Bath, John Ayling, Sophie, Halls, Sienna Scott, Indianna Park, Jamie McNeill, Thomas Herd, Jasmyn Garrick

Advanced Resuscitation

Kristy Debenham, Adam Debenham, Oscar Bath, Michelle Williams, Teagan Powell, Millee Powell, Ella Buteux, Paul Williams, Phoebe Harries, Nanette Ferres, Lucy Owen, Georgia Lee, Maddie O'Donoghue, Ella Henderson, Rhys Tucker, Tara Shelton, Rachel Poldy, Ross McHugh, Matthew Judd, Samantha Boesen, Steve O'Hara

IRB Crewman Certificate

Malcolm Macpherson, Thomas Herd, Samantha Boesen,

Silver Medallion

Basic Beach Management

Neil Roberts, Damien McCarey, Harry Layton, Charlie Layton

Graham Johnston - Director of Education

Director of Life Saving

Peter Roden

A successful if somewhat strange season on the beach with patrols being cancelled for the year in March due to Covid-19 issues. It definitely felt strange seeing the beach on a weekend with people in the water and no flags raised. Fortunately, even with increased numbers due to people “isolating” around the area, there were no major injuries or deaths.

Thank you to the Patrol Captains for their support and work this year, Graham Johnston, Warren Watkins, Jim Myers, Michael Bambridge, Bruce Staples, Matt Ryan, Vince Roberts, Andrew Duck, Bill Queripel, Hamish MacPherson, Brad Norman and Alan Blackman, professionally leading their patrols to deliver a high standard of beach management and safety to the local community and our visitors.

Well done to all our members, young and not so young, for using of the “What’s App” group for patrol subs this year. It has proved very successful.

Attendance:	38,345
Total Patrol Hours:	6810
Patrol Teams:	12
Active Patrol Members:	194
Rescues: (7 outside the flags)	14
Preventatives:	581
Beach Closures:	9
Ambulance Callouts:	2
First Aids:	28
Council Reports (6 Dogs, 3 Craft Riders, 2 Public Relations)	11
After Hours Emergency Call Outs:	2
<i>(A boat drifting toward Macs beach and a rock fisherman in the water at Little Beach.)</i>

Huge thank you to the following for their help and support:

- JD's Family Automotive for "de-watering" and servicing our IRB motors.
- Phil Boxsell for managing the Patrol Roster.
- Mick Morrison for maintaining the IRB's.
- Rod Jordan for looking after the first aid room

Peter Roden - Director of Life Saving

Director of Member Services

Alison McNeill

Thank you everyone for another wonderful but different season. We started really well with patrols and nippers, then endured crazy surf, bushfires, heatwaves and then coronavirus (Covid 19) that cancelled everything as we went into lockdown. Well done one and all on your efforts and support for the club through these crazy times.

Our nipper numbers increased this season which called for more parents to step up and become Age Managers to keep our ratios compliant. The nippers all loved the usual Sunday morning activities making use of our Lily Pad mat when the surf was suitable. It was a really busy season with many carnivals, our Twilight Christmas Nippers and a few weekends when the beach was closed. Luckily the Nipper season finished just before the Covid 19 restrictions came into force, so the only change was that we had to cancel Junior Presentation. Thank you everyone for your help with nippers, the bbq and other fundraising raffles.

The Rookies (13s and 14s) started patrolling this season and enjoyed time at Aqua Splash and helping the younger nippers. We really hope they continue to patrol and be in integral part of the club. Thank you to Suzie Morris and Melissa Hackshall for organising the Rookies so well. I need to thank Anna McCall for her time as Age Manager for this group for the last few years. Bridget O'Donoghue (a previous Macs nipper herself) worked with Anna, then continued as the U14 Age Manager for this season. Thank you, Bridget, for all your help and all the best for the future.

Our Cadet members continued competing led by their chief – Jason Vella and coordinated by Shannan Williamson. This group have been strong their whole way through nippers and are still together having fun and competing.

The Duke of Edinburgh Award was very difficult to run this season due to all the environmental factors but our members continue to volunteer on patrols, learn new skills and complete physical activities even if the camps have not really happened. See Geoff's report for more information.

The Macs Masters and Boat Crews grew in number and continued to do well in the competition area. Both groups, together with the Cadets, were to compete in the Australian Championships on the Gold Coast in April but this was all cancelled due to coronavirus. Some of our Masters competitors were even going on to the World Titles in Italy. Macs Maniacs has started with social distancing and continues through until Fathers' Day.

Our patrol members, bar staff, first aiders, officials, water safety, Point Break editors, house manager, bar manager, maintenance and repair crews, website support, Directors – there are so many roles and luckily, we have so many amazing members who step up to fulfil them. However, so many of these people no longer have nippers in the club but still volunteer their time as we don't have a lot of new, younger members joining in. We don't know how the next season will look yet due to coronavirus, but please consider stepping up and helping us to keep MacMasters Beach Surf Club the great place that it is.

Lastly, it is with sadness that we say thank you and farewell to our Managers of Sunday Activities – our Nipper Co-ordinators – Elaine Hodgkinson and Lorna Walters. These two women have led nippers for the last few years, my whole Directorship so far, and I really don't know how we'll do it all without them. Many other clubs on the coast have copied the Macs model Elaine & Lorna set up for our nippers. Thank you to you both and enjoy relaxing on Sunday mornings at home!

Alison McNeill – Director of Member Services

Director of Competition

Craig Lee

Once again, the sun sets on a hot but shortened and very weird end to our 2019/2020 season due to COVID 19. There was a very pleasing start to the shortened season with our U8s, new to the competition scene, having a healthy regular eight to ten competitors who experienced a taste of carnivals achieving a podium position at Branch. Branch was a fantastic result for our small club with 56 Nippers giving their all and achieving a vast array of medals across the field with the U13 dominating yet again and repeating past seasons results. Nice to see a gold in the U14 signals to Judah White.

In the Opens, Masters was a massive result with medals too numerous to mention and which are detailed in the results table below.

Branch Boats were delayed and eventually, due to COVID, shutdown. This was a shame as I think we were primed for some good results.

NSW State carnivals were held for all and results for Nippers, Opens, Masters and Boats shown below.

Preparations for the Aussies were progressing nicely but, sadly, were also cancelled for COVID.

Nippers. A total of twenty competitors made the trek to Swansea Belmont. A gold for Hamish Taylor-Martin in the board. Two bronzes for the U13 girls board rescue to Airley Arnold & Skye Hackshall and the U14 boys, in their final carnival in nipper life, to Marcus Aitchison, Patrick Sheppard and Calum Walters. This is a great result for these boys who have never given up over the years.

Opens. Jason Vella continues to do great things with this group grooming them from Nippers to Opens. A small squad ventured to State to compete against some experienced talent. Great result for Macs was a 4th in final of the Female Board Race for Sinaed Williams capping off a great year for her.

Masters. The Masters continued with their great season backing up and building on their previous season. Results were achieved all over the beach, which can be seen in the below table. Great work team, and looking forward to next season.

Interbranch. Congratulations to the U13 Marlins Skye Hackshall, Bree Josling, Hamish Taylor-Martin & Jerome Drobot on their selection in the Central Coast Interbranch rep team.

Boats. Congratulations to 4 of our Macs Boat Crews who have been selected in the 2020 NSW Surf Boat Interbranch Championships which were held at Queenscliff SLSC on Sunday 19 January 2020. Of the eight boat crews in the Interbranch team four were from Macs.

State Championships - Nippers

Nippers March Past

Australian Championships.

Unfortunately, due to the Government imposition of 'social distancing' in response to the Covid 19 pandemic, the Australian Championships were cancelled.

The end of the road.... This is my last report as Director of Competition for MacMasters Beach SLSC. After the last 8 years, it's time to pass the baton on to someone else to keep the organisation moving forward. Kylie Dickinson has stepped into the role. I cannot think of anyone better equipped to take this on. I wish Kylie all the best in the role and look forward to her taking it to the next level with new ideas with all her years of experience around the club.

I've had an amazing 8 years in the role, made some great friends and importantly to me, I've seen a bunch of great kids turn into adults along the way. I want to thank every person out there who has made some contribution to the club and assisted me over the last 8 years. I would like to mention former directors, Vince Roberts and Simon Cusack and thank them for their guidance in my early years when I first came onboard.

I would also like to take this opportunity to thank my fellow board members for their unwavering support and enthusiasm throughout the past season.

See you on the beach.

Craig Lee – Director of Competition

Nippers

What a season 2019/20 turned out to be. Between bush fires, smoke-filled days and an unusable beach due to storms and high seas, we can count ourselves lucky to have made it to the end of the season and State Titles. We were all disappointed of course that the Junior Presentation was unable to be held due to lockdown.

As we finish up our time as the Nipper Coordinators, we would like to take this opportunity to thank everyone involved in Sunday morning nippers. There are too many people to mention individually and apologies if we leave out anyone. Firstly, to our wonderful age managers who come to the beach every week and encourage kids to have a go. Whether it is taking part in an event in the water, being part of a team or learning something new about the ocean or first aid, the Age Managers are always helpful, respectful and encouraging. This year we said goodbye to Bridget O'Donoghue and her wonderful U14s. We hope to see the kid back for U15s or as patrolling members of the surf club. Thanks Bridget, for all your help and encouragement over the last few years. Thank you also to Anna McCall who was Age Manager with Bridget until this year and who did a wonderful job.

To run nippers, we rely heavily on a lot of people who may not even have kids in nippers anymore. Thanks must go to Amanda Queripel for another great year running the uniform shop as well as helping at carnivals as an official. To Trent Martin, Jan Sillato, Greg Ferguson and Jonno for running the board, swim and first aid portions of nippers. Without our wonderful water safety team including Leigh, Frank, Simon and Grant, as well as all the cadets and rookies, we would not be able to proceed - so thank you.

Huge thanks to Lynda and Jim Gundry for organising the BBQ and thank you to the parents, rostered or not, who have taken up the tongs to prepare the finest sausage sizzle on the coast. The BBQ is a great fundraiser for nippers and thanks to all those who have supported it.

Other volunteers include Paula Vella and Denise Sherring, the Rookie Coordinators Suzie Morris & Melissa Hackshall, Carnival Organiser Suzanne Petrie, our officials Tracy, Hayley, Mel, Cherie, Frank, and everyone else who helped make our Nippers the best it could be.

As we head into a new and possibly different era due to Covid19 we would encourage parents to step up and become more involved. Kids respond to seeing their parents so involved in the club; whether as a patrolling member, helping with water safety, helping the age managers -there are so many roles within the surf club so your participation can be small or large.

We thank parents for coming back with their kids every week, encouraging and helping them to develop their knowledge of life by the sea. Having seen our own children grow up through the surf club, we would both say it has been one of the best experiences for our kids.

Lorna Walters and Elaine Hodgkinson

Cadets

This season has been unlike any other with patrols cut short and many events cancelled due to bushfires and Covid 19 but most, if not all, of the U15 cadets have now completed two camps for Duke of Edinburgh Award and are all closer to achieving their Bronze Medallions.

There were six U15s representing Macs this season in our local carnivals and State with many amazing results.

At the October Toowoomba Bay carnival, in the U15 swim Marlee, Sinaed and Zoe came in 4th, 5th, and 6th respectively. On the boards, Sinaed, Marlee and Zoe came 4th, 5th, and 6th. In the Iron person Sinaed, Marlee and Zoe 3rd, 4th, and 5th. In the U15 boys, Conor came 4th in the board, 5th in the Ironman and 6th in the swim.

At the Umina carnival in November, Conor got 2nd in the Board, 2nd in the Board Relay and 3rd in the Board Rescue with Marcus Aitchison from the U14s. In the girls, Chloe's results were: 1st in the Swim Team, 4th in the Board Rescue and 5th Board Relay. Claire got 2nd in the Swim Team and 5th in the Board Relay. Marlee got 1st in the Swim Team, 2nd in the Board Relay, 4th in the Board Rescue and 5th in the Swim. Sinaed got 1st in the Swim Team, 2nd in the Board Relay, 3rd in the Board, 3rd in the Board Rescue, 4th in the Iron person and 6th in the Swim. Zoe got 1st in the Swim Team, 2nd in the Board Relay, 3rd in the Board Rescue and 6th in the Iron person. An U15s Mixed Cameron team consisting of Sinaed, Chloe, Conor and Calum Walters, from the U14s, came in at 4th.

The carnival in December was at Terrigal. Zoe's results were: 1st in the Swim Team, 2nd in the Board Relay and 6th in the Board. Sinead came in at 1st in the Swim Team, 2nd in the Board, 2nd in the Board Relay and 3rd in the Swim. Chloe got 1st in the Swim Team and 6th in the Swim. Marlee got 1st in the Swim Team, 2nd in the Board Relay and 5th in the Swim. Conor got 1st in the Board, 2nd in the Board Relay with Calum Walters and Marcus Aitchison from the U14s and 6th in the Swim. 2 U15s Mixed Cameron Teams were put forward consisting of Sinaed, Marlee, Conor and Marcus Aitchison from the U14s coming in 1st and Zoe, Chloe, Calum Walters from the U14s and Hamish Taylor-Martin from the U13s came in at 5th.

State Weekend 6th-8th of March saw Sinaed place 4th in the Female Board Race and Marlee, Sinaed, Zoe and Chloe placed 6th in the Female Beach Relay.

A special thanks from all the U15 parents to their wonderful Age Manager Jason Vella. He has done an amazing job. His endless patience and encouragement has helped shape and mould these young people to achieve great things - even when some just wanted to be left alone and build sandcastles!!!! I, for one, am looking forward to seeing what becomes of the wonderful children of this group and keeping up with their amazing achievements. Good luck with all you do.

CLUB ACTIVITIES

Boat Captains Report

This season will always be remembered as the one that was never completed.

However, it should be recognised as the one where we had strong crews with great team spirit and strong commitment to the club, training and competition. I'll list the crews and then the results as far as the season progressed – every result was a stellar representation for this club.

Open Women Cazadores

Nadine Norman, Bridgid Ryan, Lucy Owen, Cassandra Wong, Peter Norman (Sweep)

Reserve Men Fat Dads

Mark White, Jimmy Latham, Craig White, Wade Brooks, Brad Norman (Sweep)

Reserve Men Baby Cows

Karl Norman, Mick Smart, Pete Sherring, Lachlan Brown, Mick Norman (Sweep)

Reserve Women Buoyances

Millee Powell, Mackenzie Donovan, Georgia Lee, Maddie O'Donoghue, Brad Norman (Sweep)

U23 Men UFCs

Harry Layton, Alex Halls, Oscar Bath, Joel Vella, Mick Norman (Sweep)

U23 Men Blue

Neil Roberts, Ayden Wilding, Luke Wilding, Damien McCarey, Brad Norman (Sweep)

U23 Women Martinis

Ella Buteux, Phoebe Harries, Ella Henderson, Nicole Couper, Michael Norman (Sweep)

U19 Men Whippets

Campbell Gillies, Brayden I'Anson, Kieran Vella, Fin McDonald, Brad Norman (Sweep)

U19 Women Karlies Angels

Sienna Scott, Sophie Halls, Jamie McNeill, Indianna Park, Mick Norman (Sweep)

Results

The crews had an incomplete Streets Series as well as the disappointment of cancelled Branch and Australian Titles. Despite this, all nine crews competed regularly during the season. The Cazadores, The Fat Dads, The Whippets and The Martinis represented Central Coast Branch at the Queenscliff Interbranch Titles in January.

At the State Titles in March, The Fat Dads, rowed brilliantly throughout the weekend to claim the Bronze medal in the Reserve Men division. We also had a strong performance in the Under 19 Men with The Whippets also having a great weekend of racing and claiming 4th place in the final.

Sponsorship

We can't row if we don't have good equipment and this only happens year after year because of the generosity of some very supportive sponsors: -

- A huge thank you to LooLoo from the Coffee Shack and Warehouse for the new set of oars.
- Thanks also to Kincumber Smash Repairs for painting the oars.
- Our gratitude to Mr Wilding for the donation of paint for the new boat trailer.
- Graham Elliss always gets a big nod for his fibreglass expertise –great work again.

All crews are always grateful to Sister Ellen and The Sisters of Saint Joseph for the continued use of the boatshed at South Kincumber. It's a privilege that we don't take for granted.

Macs Masters

The 2019/2020 season has certainly been a character-building one to remember!! Throughout, our Macs Masters have showed skill, strength, team spirit and resilience, backed the whole way by the greatest surf club on the Central Coast, MacMasters Beach SLSC.

Our masters crew competed well during the first half of the season, starting with a small group heading up to Forster for the October long weekend. As is often the case up there, it was a cold and miserable weekend, although competition was fun.

A much larger group turned up to our local Toowoona Bay Carnival in November and they all achieved some great results. At the end of the day, our “Macs Masters” took out 2nd place overall, thanks to everyone having a go at absolutely every event on offer. This is where Macs shows their strength, because our masters love to challenge themselves each and every time they turn up to a carnival. Results then flow through all day.

Some very challenging conditions met our masters at Terrigal in January, on another very cold and miserable day - not what you would expect in January!! There were many brave performances in our water events, with no injuries which is always a great result!!

The usual “Macs Masters” spent another awesome weekend up at Fingal Bay the following week and finally had some beautiful weather and conditions. Of course, competing is fun on this weekend away, but there are also plenty of fun times before, during and after the competition!!

The annual tribute to “Nuttie” saw a small group attend the Nutty Masters carnival at Wamberal in February. Water quality was badly affected by the bush fires and floods which we saw during the months of January and February. And, we were back to cold and miserable conditions!! It didn’t stop our Macs crew though, doing their best in very trying conditions.

The Branch carnival for our Masters in February was postponed twice, then eventually cancelled, due to the continuing poor quality of our coastal beaches from the devastating bush fires and flooding up and down the NSW coastline. This also affected our training sessions, although we were able to utilise Cochran Lagoon on many occasions for some grueling flat-water paddling.

We were fortunate enough to grab a small window of better water quality and conditions in early March, which meant that our State carnival in Swansea did actually go ahead. A small group of 7 competitors were strong in all their events, with many of the team winning a State medal over the two days - for some, it was their very first State medal ever, which was very exciting.

Of course, this is where the season ended for our “Macs Masters”. A very early finish to what was planned to be a huge year competing at Aussies in Queensland and the Worlds Championships in Riccione, Italy later in 2020. Both events being cancelled due to the travel restrictions in place as a result of the worldwide pandemic.

“Macs Masters” have all had a chance to have a well-earned rest, and look forward to coming back stronger next season and keen to continue their zest for life on the beach and in the surf. We are always looking to inspire others within the club to join the club’s fun team of “mature” athletes. Keep a look out in the monthly newsletter Point Break, for information about training and just make a decision to have a go, develop your surf skills, work on your fitness, and generally be the best you can be for yourself and MacMasters Beach Surf Club.

Jan Sillato

Handicap Point Score

This year I was lucky enough to be involved in organising the handicap swim and board. This is my favourite event and occurs every Sunday morning prior to nippers. I love this event is because it celebrates the essence of what MacMasters Surf Club is all about which is catering to all individuals allowing everyone to have a go involving all members from nippers, rookies, cadets and seniors.

This Sunday morning ritual allows all proficient club members to either swim, board or both and try to improve on their individual times. We start at 8.45am each week. I just love watching the senior members encouraging the younger children to take part, especially when the conditions are only occasionally flat. It's truly wonderful to see senior club members swimming alongside our junior members with the weekly banter from senior members on how I need to handicap the younger children more or that the seniors can't possibly be going at the same time as cadets.

I have watched this event grow in numbers becoming extremely popular due to the nipper coordinators and age managers encouraging and exposing the children to all the events that our club offers throughout our season.

I personally thank Jo Day for her assistance in time keeping and recording both this year and last year. I couldn't have done this without her, due to the number of club members involved. This year we had about 30 people partake in the morning swim and about 15 for the board. During the season I have witnessed some amazing body surfing, skilful board riding and individuals swimming through sections of weed.

MacMasters Beach always provides various swell making this a wonderful and unique beach with our members learning how to navigate all surf conditions.

Macs Maniacs

The Maniacs enjoyed another full season of exercise, swimming and fun. As usual we had our "Theme" days, some crazy outfits then finished the morning sharing coffee and some laughs. Our days included: Favourite sporting team; Inflatables; Icebergs; Wimbledon; Pink Day; Hot Toddy; Pirates; Vintage; and the popular Championship Day. The Championship Day was very competitive, and the champion tag eagerly sort after, sadly for some no gong was given.

The average water temperature was 20 degrees and nearly all Sunday mornings were sunny and magnificent. We managed a few jumps off the rocks and all either walked, jogged or ran towards north MacMasters.

Maniacs averaged a turn up of 30 swimmers in our 19th season which included a very successful fundraiser for the Cancer Council. A great effort of organising by Kylie Dickinson.

The MANIAC OF THE YEAR was Penny Roden. Penny made comment on the support she had from Jan Sillato, who held her hand to make the final swim.

Looking forward to 2020 our 20th year so look out for some special celebrations.

Australian Government

Duke of Edinburgh Award

The Duke of Edinburgh Award for MacMasters Beach SLSC has had a disrupted year due to bushfires, COVID 19 and kids involved in other sport activities. However, we did run two camps: one in February and one in July (both bronze camps).

We had other scheduled trips to the Six-Foot Track in October 2019 cancelled due to limited response because of sporting and school commitments. There was a multi-day Bronze/Silver/Gold camp at Newnes, Blue Mountains which was cancelled due to bushfires. We also had a Silver/Gold camp in April which had to be cancelled due to COVID 19 regulations.

We started the Bronze camp in Mangrove Mountain where we hiked down to Dubbo Gully, including off-track hiking using maps and compass. We camped at Ten Mile Hollow overnight. The next morning, we hiked to the Buddhist Temple where we served the Monks breakfast and had a look around the Monastery. Then we hiked back via Simpson's Track back to Mangrove shops for some much-needed ice cream. The four adult supervisors were Tracy Przybyla, Geoff Dominguez, Graeme Jones and Andrew Duck.

The next camp was another Bronze camp. We started at Patonga and kayaked up Patonga Creek, then hiked to Rocky Ponds where we had a swim and jumped off the waterfall. We returned back to Rocky Creek where we camped. The next morning, we paddled down Patonga Creek to Middle Head (opposite Lion Island) then went off-track bushwalking to find some Aboriginal carvings. We returned to Patonga where we met the parents. I would like to thank Rachel Poldy, Bridget O'Donoghue and Andrew Duck for supervising this camp.

Geoff Dominguez

Bar

The bar continues to operate due to the continued commitment of volunteer bar staff that are critical to the effective operation and financial position of the club. Thank you one and all of you for your deeply appreciated and invaluable contribution to the operation and financial performance of the club. Our volunteer Bar Managers and Bar Staff give this valued contribution to our club at personal cost to them.

Bar Volunteers

Duty Managers	Bar Staff
Steve O'Hara	Bryce Aitchison, Matt Hingerty
Carole Thompson	Briony Davidson, Elaine Hodgkinson
Michael Bambridge	Bridget O'Donoghue, Hanna Cusack
Les Cousins	Chris Jordan, Gai Judd
Geoff Dominguez	Louise Irvine, Emma Tague
Danny Drummond	Alison Austin, Craig Lee
Rod Jordan	Cherie Castaing, Baraka Leporte
Kim Hourn	Andrew Charlton, Di Brown
Lisa O'Donoghue	Val Crowe, Karl Norman
Denise Sherring	Julie Dominguez, Craig Barry
Angela Veshetti	Vicky Elliot, Matt Ryan
Michael Norman	Darryl Fry, Pete Roden
Mel Campbell	Josh Bron, Robert Rath

Steve & Carole O'Hara – Bar & Function Managers

House

After four years as House Manager Steve O'Hara has left his post with the position being taken up by long standing patrolling member Tony Hall. Steve passes to Tony a materially enhanced club house and one that all members are proud of. The extensive renovations performed during Steve's tenure maximise the utility of the limited building area which, due to planning regulations, cannot be expanded. Additionally, the standard of the facility, including the 'feature' bar is the envy of the other clubs on the coast.

Steve has ensured that the spaces have been allocated and that the services and facilities required for the effective performance of the club's essential surf lifesaving functions as well as the club's social activities and the multiple community uses are there, of good quality and reliable at all times.

Consistently with the club's approach to energy efficiency and reduction of greenhouse gasses the club last year installed the maximum available solar capacity and proposes the installation of optimal battery capacity to seek the maximum available energy self-sufficiency.

Very well done, congratulations and thank you Steve.

Anzac Day

Our 2020 ANZAC Day Service was so different to what we have been used to. Although we could not gather due to COVID-19 (Coronavirus) health regulations and physical distancing, we still paused to remember and honour the service and sacrifice of those who have served our Nation.

As requested by the RSL, we joined the nation at 6.00am and played the Last Post, held a minute silence and played Reveille from the Club forecourt. The sound across the still bay was a haunting experience.

The ANZAC spirit and the poignancy of our memories and gratitude to those who paid the ultimate sacrifice for us and generations to come remains alive and will continue for all time. Hopefully next year's ANZAC Day Service will return to our normal 5.00pm Sunset Service.

Vince Roberts

Garden Social and Bridge Clubs

The club house has continued to be the home for the MacMasters Beach Ladies Social Club, Garden Club and Bridge Club. These clubs meet monthly at the club house and are an important valued part of the club's manifestation as the centre of social activity at MacMasters Beach.

The members of these three clubs participate in and contribute to the club's activities in all ways including materially in financial donations to the club as well as, and more importantly and consistently with the 'volunteer psyche of the club, by volunteering time to support the conduct of various social activities at the club including the Christmas carols event each year.

Community

The essential purpose of the club is its surf life saving function. However, the club is the centre of the MacMasters Beach community used, enjoyed and supported by the whole of the MacMasters Beach and wider community. The annual Christmas Carols and Anzac Day events are attended by capacity crowds of all ages. Through the season the Bouddi Swing Band plays on Wednesday mornings is attended by a loyal and regular following, who purchase a coffee from the club sponsor the Barefoot Café.

Without our sponsors, donors and supporters along with the support and involvement of the community the club would not be able to operate as it does. The club extends its sincere thanks to all.

Committee's Report

Your committee members submit the financial report of the association for the financial year ended 30 April 2020.

Committee Member Names

The names of committee members as at the date of this report are:

Alan Blackman	President
Kylie Dickinson	Deputy President
David White	Director of Administration
John Evans	Director of Finance
Peter Roden	Director of Lifesaving
Craig Lee	Director of Competition
Alison McNeill	Director of Membership
Graham Johnston	Director of Education
Michael Norman	Life Members Representative

Principal Activities

The principal activities of the association during the financial year were the operation of a surf life saving club, by providing safe beach and aquatic environment for the local community and facilitating surf life saving courses run by Surf Life Saving Central Coast Inc.

Significant Changes

No significant change in the nature of these activities occurred during the financial year.

Operating Result

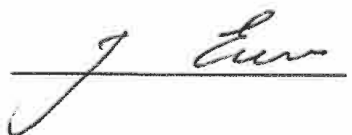

The deficit from ordinary activities of the association for the financial after providing for income tax amounted to \$22,128 (2019 surplus: \$68,492).

Signed in accordance with a resolution of the Members of the Committee.

MacMasters Beach Surf Life Saving Club Incorporated

ABN 62 774 260 161

Notes To The Financial Statements For The Financial Year Ended 30 April 2020

Note 1. Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Act 2009*, the *Australian Charities and Not-for-profits Commission Act 2012*, the *Charitable Fundraising Act 1991* and associated regulations. The committee has determined that the association is not a reporting entity.

MacMasters Beach Surf Life Saving Club Incorporated is an association registered under the *Associations Incorporations Act 2009* and domiciled in New South Wales.

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

These are special purpose financial statements that have been prepared for the purpose of complying with the *Australian Charities and Not-for-profits Commissions Act 2012* and associated regulations. The Board have determined that the accounting policies adopted are appropriate to meet the needs of the members of the MacMasters Beach Surf Life Saving Club Limited.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the AASB and the disclosure requirements of AASB 101 'Presentation of Financial Statements'; AASB 107 'Statement of Cash Flows'; AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors'; AASB 1048 'Interpretations of Standards' as appropriate for not-for-profit oriented entities.

Accounting Policies

Revenue

Revenue is recognised when it is probable that the economic benefit will flow to the company and the revenue can be reliably measured.

Sale of goods

Sale of goods revenue is recognised at the point of sale, which is when the customer takes receipt of the goods, the risks and rewards are transferred to the customer and there is a valid sales contract. Amounts disclosed as revenue are net of sales returns and discounts.

Membership fees

Revenue from membership fees is recognised at time of receipt.

Grants and donations

Grant & donation income is recognised as revenue when received unless they are designated for a specific purpose, where they are carried forward as prepaid income on the balance sheet.

Interest

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax (GST).

MacMasters Beach Surf Life Saving Club Incorporated

ABN 62 774 260 161

Notes To The Financial Statements For The Financial Year Ended 30 April 2020

Note 1. Statement of Significant Accounting Policies (cont'd)

Inventories

Inventories are measured at the lower of cost and net realisable value.

Buildings

Buildings are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event that the carrying amount of buildings is greater than its estimated recoverable amount the decrease in value is shown in the profit and loss statement as a revaluation decrease.

Plant and Equipment / Surf Patrol Equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount and impairment losses are recognised in the profit or loss as revaluation decreases if the impairment losses relate to the revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present.

Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised lease assets is depreciated on a straight line or diminishing-value basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of Fixed Asset	Depreciation Rate
-----------------------------	--------------------------

Land & Buildings	3%
Plant and Equipment	10 - 25%
Surf Patrol Equipment	10 – 15%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These gains or losses are recognised in profit or loss in the period which they arise. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

MacMasters Beach Surf Life Saving Club Incorporated

ABN 62 774 260 161

Notes To The Financial Statements For The Financial Year Ended 30 April 2020

Note 1. Statement of Significant Accounting Policies (cont'd)

Goods and Services Tax

Revenues, expenses and assets recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included in other receivables or payables in the statement of financial position.

Income Tax

As the company is a charitable institution in the terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Critical Accounting Estimates and Judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

Note 10. Capital Commitments

The Company are not aware of any significant capital commitments at year end.

MacMasters Beach Surf Life Saving Club Incorporated

ABN 62 774 260 161

Notes To The Financial Statements For The Financial Year Ended 30 April 2020

Note 11. Contingent Liabilities and Contingent Assets

The recent announcements by the World Health Organisation in regards to the global pandemic outbreak of COVID-19 and the response of the Australian and State Governments may materially affect the operations of the Company in the future financial periods. At the time of this report, the expected economic impact cannot be reliably measured.

Other than the matter disclosed above the Committee members are not aware of any significant contingent liabilities or contingent assets affecting the entity at reporting date.

Note 12. Events after the Reporting Period

The Committee are not aware of any significant events since the end of the reporting period.

Note 13. Disclosures under the NSW Charitable Fundraising Act 1991

Fundraising appeals conducted by the Club during the year led to a number of donations. Comparisons of certain monetary figures and percentages in accordance with the requirements of the *NSW Charitable Fundraising Act 1991* are set out below.

	2020 \$	2019 \$
Aggregate gross income from bequests*	-	-
Aggregate gross income from fundraising	35,914	49,183
Aggregate gross income from donations	56,663	79,166
Less total direct cost of fundraising	(7,828)	(2,247)
	<u>84,749</u>	<u>126,102</u>

* Bequests are excluded from the *Charitable Fundraising Act 1991*

Statement by Members of the Committee

In the Committee's opinion:

- (i) the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. Accordingly, as described in note 1 to the financial statements, the attached special purpose financial statements have been prepared for the purposes of complying with the *Associations Incorporations Act 2009 (NSW)*, the *Australian Charities and Not-for-profits Commission Act 2012*, the *Charitable Fundraising Act 1991* and associated regulations;
- (ii) the attached financial statements and notes comply with the Australian Accounting Standards as described in note 1 to the financial statements;
- (iii) the attached financial statements and notes give a true and fair view of the incorporated association's financial position as at 30 April, 2020 and of its performance for the financial year ended on that date;
- (iv) there are reasonable grounds to believe that the incorporated association will be able to pay its debts as and when they become due and payable;
- (v) the financial statements give a true and fair view of all income and expenditure with respect to fundraising appeals; and
- (vi) the internal controls exercised by the incorporated association are appropriate and effective in accounting for all income received and applied by the incorporated association from all fundraising appeals.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President 

Treasurer

Independent Audit Report To The Members Of MacMaster Beach Surf Life Saving Club Incorporated

Report on the Financial Report

Opinion

We have audited the accompanying financial report of MacMasters Beach Surf Life Saving Club Incorporated (the Club), which comprises the statement of financial position as at 30 April 2020, statement of profit or loss & other comprehensive income, statement of changes in members' funds and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the committee members' declaration.

In our opinion, the financial report MacMasters Beach Surf Life Saving Club Incorporated is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Club's financial position as at 30 April 2020 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Regulation 2013*.
- (c) the *Charitable Fundraising Act 1991*, including
 - (i) the financial report shows a true and fair view of the financial result of fundraising appeals for the year to which they relate; and
 - (ii) the financial report and associated records have been properly kept during the year in accordance with this Act and the regulations; and
 - (i) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with this Act and the regulations; and
 - (ii) MacMasters Beach Surf Life Saving Club Incorporated is solvent, as it is able to pay its debts as and when they fall due.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Club in accordance with the auditor independence requirements and ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

The financial report of MacMasters Beach Surf Life Saving Club Incorporated is a special purpose financial report that has been prepared in accordance with the accounting policies described in Note 1 to the financial report.

Other Information

The Committee Members are responsible for the other information. The other information comprises the information included in the Club's annual report for the year ended 30 April 2020, but does not include the financial report or our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

MacMasters Beach Surf Life Saving Club Incorporated

ABN 62 774 260 161

Independent Audit Report To The Members Of MacMaster Beach Surf Life Saving Club Incorporated

Other Information (continued)

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears materially misstated.

If, based on the work performed, we conclude that there is a material misstatement of this other information, we are required to report on this fact. We have nothing to report in this regard.

Committee Members' Responsibility for the Financial Report

The Committee Members of the Club are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the committee members determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report the Committee Members are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless the Committee Members either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The Committee Members are responsible for overseeing the Club's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from Fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design the audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the Club's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions or conditions may cause the entity to cease to continue as a going concern.

MacMasters Beach Surf Life Saving Club Incorporated

ABN 62 774 260 161

Independent Audit Report To The Members Of MacMaster Beach Surf Life Saving Club Incorporated

Auditor's Responsibility for the Audit of the Financial Report (continued)

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any deficiencies in internal control that we identify during our audit.
